Summary

Hi there! I'm a seasoned computer networking professional with a passion for web development and design. My expertise spans a wide range of programming languages, including HTML, CSS, JavaScript, PHP, WordPress, and WooCommerce. Additionally, I have proficiency in C#, Python, and ASP.NET.

I am a proud graduate of I.E.K, Undergraduate degree with honors in Information Technology (IT) Technician, and currently pursuing further studies at IHU. My specialization lies in website design and development, where I enjoy using my Adobe Creative Suite skills to create visually appealing and user-friendly interfaces.

Here are some of my areas of expertise:
Hardware & computer networks
Information systems security
Website design & development
Tech sales & specifications
Database management
Internet applications

I'm fueled by my passion for taking on challenges and contributing to innovative projects. Let's connect and explore opportunities together! #ComputerNetworking #WebDeveloper #WebDesigner #Webmaster #WebSpecialist #WebDevelopment #Website #FindaPro #WebBuilder
